

## **AZOOMEE LAUNCHES ON THOUSANDS OF CONNECTED TVS WORLDWIDE**

**Kiel, November 2019:** Azoomee, an entertaining educational content platform for kids aged 4+, has today announced its launch on TV screens worldwide, in partnership with Foxxum. This means customers can access Azoomee's amazing content on any smart connected TV, anywhere, anytime!

"Launching Azoomee on Smart TVs is a natural step for us to meet the strong demand from our users across multiple devices," **said Azoomee's co-founder and COO Estelle Lloyd.** "Foxxum have both the expertise to develop the best TV solution and the reach to significantly expand our footprint. Their team is a delight to work with."

Big name manufacturers like Vestel, Panasonic, Toshiba, Polaroid, and Hitachi will be releasing Azoomee today, with brands such as Apple TV, Samsung, and LG to follow. Azoomee is thrilled to reach so many homes and connect with kids across the world.

"Today's Smart TV users include several generations, and for us it is essential to cater to their needs," **said Foxxum's CEO Ronny Lutzi.** "We continue to work toward providing the best user experience, which we feel is greatly improving with the addition of the educational and child-friendly App Azoomee."

Azoomee is an ad-free streaming service that offers award-winning TV shows and imaginative arts and crafts activities to foster a sense of wonder and curiosity in kids. Azoomee is available everywhere. In addition to the amazing TV experience, customers also get access to the Azoomee mobile app, which includes hundreds of brain-boosting games, puzzles and creative DIY projects.
