

FILMZIE, THE FREE MOVIE STREAMING APP, IS NOW AVAILABLE ON FOXXUM ENABLED TVS

Kiel, September 14th, 2020: Filmzie a.s., operator of the free movie streaming platform Filmzie, now releases a Smart TV app together with Foxxum GmbH, an internationally leading Smart TV solutions provider.

Filmzie is on a mission to support independent filmmakers and small studios by providing a platform where they can showcase their films and connect with true film fans. This platform enables filmmakers to reach a broader audience meanwhile allowing movie lovers to enjoy unique, award-winning and hard-to-find movies as well as well-known films, free of charge. Filmzie has already attracted viewers from all over the globe with tens of thousands of active movie watchers on its mobile application (Android & iOS) and web-based platform.

The partnership enables Foxxum to present Filmzie's large catalogue of high-quality content in their own app store worldwide. Users will appreciate the wide, HD quality video-on-demand content library including all movie genres, top festival winners, independent films, exceptional short movies and much more. Filmzie's Smart TV app is available on all Foxxum enabled TVs, like Hisense, Sharp, LG, and Amazon Fire TV, Android TV and Samsung meanwhile, app for Panasonic Viera Connect will follow later this year.

"We are thrilled to have created a movie streaming platform with a rapidly growing community that cares about and gives back to the independent movie industry. The launch of our first TV application will only enhance and strengthen our community and we are proud to have worked side-by-side with Foxxum to deliver this app to their users", **expressed Matej Boda, CEO & Founder at Filmzie, a.s.**

"We appreciate the intuitive user-friendly concept of Filmzie, especially in times of content overload, and are therefore very happy that this partnership exists. We can

now offer this remarkable service in the Foxxum App Store and our users will be able to access a new large content catalogue and social platform specifically for movies.”, **says Ronny Lutzi, CEO at Foxxum GmbH.**

ABOUT FILMZIE

Filmzie is a free worldwide platform for streaming high-quality movies & TV series available for Android, Android TV, iOS and a broad range of Smart TV app stores. Simply by watching movies on Filmzie, viewers are supporting indie filmmakers and can interact with one another via built-in social features, including a native movie rating and review system which gives filmmakers direct feedback. Filmzie has a huge variety of content, ranging from action, comedy, drama, horror and thriller movies, as well as top festival winners, independent films, exceptional short movies and much more. There are so many great films out there from extremely talented filmmakers that just don't get seen by the general public. Filmzie is here to change that by providing free movie streaming for true movie lovers.
